Details

This homework is due **Nov 13th by 11:59 PM Central time**

Please see the instructions in README.md.

homework3_jun_28.zip (https://utexas.instructure.com/courses/1451456/files/92153189/download)

Note: Change the requirements.txt such that it forces the use of `transformers==4.52.4` (same as what Colab is using now). A recent update from Huggingface (`transformers>=4.53`) breaks the backward compatibility.

Please read the HW 3 post on Ed Discussion before starting

Please note that there is a limit of 5 submissions. Your grade for the homework is based on the last submission score, not the highest score.

Make sure your submitted zip file is less than 50 MB

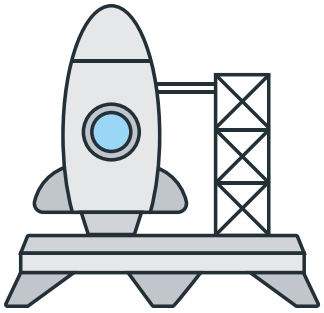

The assignment is autograded and the results should be available within 5 minutes. If not, please make a public post on Ed about it.

Please do not leave a comment on Canvas if you have a question about your grade. Please post on Ed if you have a question
